

Letter of intent

- Removal of 1 x bay tree
- Reduction of bay trees back to original barrel shape.
- Apple tree pruning
- Lapsed managed hedgerows consisting of lawson cypress, holly and bay trees. These have now started developing into trees and it is recommended that these are reduced in height and width to maintain hedge shape.
- Recommended that all vegetation that overhangs the footpaths should be crown lifted to at least 2.5m and cut back from the pathway at least 1.5m to enable safe passage for all footpath users.
