Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use. Please note that following changes to Use Classes on 1 September 2020, the list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

C4 - Houses in multiple occupation

Is the proposed operation or use

Permanent Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposal is that up to 6 residents will live together in the house. They will each have an en-suite bedroom and will share a kitchen, a lounge and a dining area. Given the current Pandemic, an area for tenants to be able to work easily from home is becoming an essential part of shared living. With this in mind, it is proposed for all tenants to have exclusive use of the communal workspace situated on the second floor.

The property has 6 bedrooms and each of these rooms would be occupied by one person.

Therefore as a matter of fact, the proposed use, as described above, results in Six residents living together as a single household who share basic amenities. It will therefore be within Class C4 and an application for planning permission is not required.

6. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent

8. Authority Employee/Member

It is an important principle of decision-making that the process is open and transparent.

Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
