Dear Sirs

Re: **6 Wallingfen Lane, Newport**

I, Mr Blanchard, wish to confirm that our neighbour Mr Tony Curtis, the previous owner of the above property carried out the removal of the original dwelling and assisted in this process personally.

I recall photographs being taken at this time (May 2014) and mention of the need to complete the demolition and implement drainage works in order to protect the planning consent for its replacement.

I would also wish to record my support for the completion of the replacement dwelling on this adjoining site in the interests of the safety, amenity and appearance of our area.

Yours faithfully

Mr Blanchard
