

1 Prospect Cottages Window Replacement

Design and Access Statement

Owner occupied residential cottage in Stroud. Property is Grade 2 listed. Owners recently bought and moved in.

Some windows in current condition are have rotten frames and all windows have poor insulation.

Design Plan is to replace like for like with flush casement windows, using conservation approved materials from a reputable local supplier (TruHouse Windows) with expertise in the type of property.

There are no restrictions to access to the property, which is visible from Butterow West.

Many Thanks,

Mark Fisher & [REDACTED] (owners and occupiers)
