

NOTES:  
 These drawings are limited representations for the purpose of planning or client concept stages. They do not form building or construction drawings.  
 The designs within this drawing are subject to copyright by Lanza Architects.  
 This drawing is to be read in conjunction with accompanying planning documents or scheduled specifications.  
 All drawings, notes, details and dimensions are to be checked and any discrepancies are to be reported immediately to Lanza Architects.  
 IF IN DOUBT, ASK!  
 Notwithstanding the approximations on this drawing, if used as secondary stage drawings, all foundations and structural members to be designed to comply in all respects with the Construction and Building Acts, and all their amendments. This drawing is subject to advice from a structural engineer before implementation.  
 A note to clients and contractors is the obligation of both client and contractor to study these drawings carefully before work commences and to report any discrepancies to the architect and they will detail all elements to working drawings. This is especially true if there is no architectural review on site. The architect cannot take liability for unexpected discrepancies falling in the domain of the project.
