Dear Sir or Madam

TOWN AND COUNTRY PLANNING ACT 1990

Details: **REMOVAL OR VARIATION OF CONDITION 11 OF PLANNING PERMISSION
18/00157/F: Variation of condition 2 of planning permission 15/01053/FM at Land
To The Rear of The Winch 70 Main Road West Winch Norfolk**

I have received a planning application as detailed above but cannot process it until I receive some more information:

1. In section 4 of the application form you have stated application reference number 18/08157/F, this reference doesn't exist. Please confirm in writing the application reference number that this application relates to (I assume it is 18/00157/F: Variation of condition 2 of planning permission 15/01053/FM).
2. You cannot change and extend the red line on your site location plan from that submitted under the original application. Please confirm that the site location plan (drawing number 2274-14) submitted can be disregarded.

Once this information is received your application will become valid and the application can be passed to the relevant planning officer.

To enable us to deal with the additional information requested efficiently could you please ensure you quote the Application Number detailed at the top of this letter along with the name of the officer detailed on this letter. Could you also clearly state the location and details of the proposed development in all correspondence and **mark it for the attention of Mrs Joanne Rahman**

Yours faithfully
