Telefónica UK Limited has entered into an agreement with Vodafone Limited pursuant to which the two companies plan to jointly operate and manage a single network grid across the UK. These arrangements will be overseen by Cornerstone Telecommunications Infrastructure Ltd (Cornerstone) which is a joint venture company owned by Telefónica UK Limited and Vodafone Limited.

This agreement allows both organisations to:

- pool their basic network infrastructure, while running two, independent, nationwide networks
- maximise opportunities to consolidate the number of base stations
- significantly reduce the environmental impact of network development

This application is submitted for and on behalf of Cornerstone and Vodafone Ltd and Telefónica UK Ltd

The application comprises:

- Planning Application form and certificates
- Planning drawings - Ref. No's: 100 -301, (Drawing Revision B, Pack Issue B).
- Prescribed fee
- General Background Information for Telecommunications Development.
- Site Specific Supplementary Information. (including copies of pre-consultation and coverage plots as appropriate)
- Health and Mobile Phone Base Stations document.
- ICNIRP declaration & clarification statement.

This application has been prepared in accordance with the industry Ten Commitments to Best Siting Practice.

The enclosed application, is identified as the most suitable site option and design that balances operational need with local planning policies and national planning policy guidance. It will deliver public benefit in terms of the mobile services it will provide.

Furthermore we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully
