this drawing has been produced for the purpose of obtaining planning permission and building warrant approval.

do not scale this drawing.  
only written dimensions to be respected.

all sizes to be checked on site by the contractor and any discrepancies to be notified to agent immediately.

It is the responsibility of the contractor to notify building control within seven days of the date on which works will commence.  
the contractor must also notify building control when any drain has been laid and is ready for inspection or test (unless this work is covered by a certificate of construction).

It is the responsibility of the applicant / owner or their contractor to advise the council when works have been completed in accordance with the approved plans and it is also the owners responsibility to submit a certificate of completion to that effect.
