Good morning Nick,

Many thanks for the amended plans.

One more issue that still seems to be present is the window shown below, it does not appear to be shown on the existing or proposed floor plans but it is present on both elevational plans.

Kind regards

Martina

In response to your letter dated 19th February 2021 I attach revised drawing set to address the matters that have been raised.

1. 1 The fenestration on the South and North elevations has been corrected.
2. 2 The Location and Site plans now show the proposed development.
3. 3 Both the rooflight and lantern on the single storey rear extension are visible from the sides.

4. 4 Parking for a minimum of 3 no. estate cars has been indicated, to scale, on the Location and Site plans.
5. 5 The East elevation has been added to the drawings to show that no part of the proposed extension will be visible from the front. The drawings have been revised to more clearly show the parapet screening the roof.
