Dear Sir/Madam

TOWN AND COUNTRY PLANNING ACT 1990  
PLANNING (LISTED BUILDINGS & CONSERVATION AREAS) ACT 1990

**Address: 14-15 , Langham Place, London, W1B 2QS**

**Proposal: Creation of a temporary garden area for a maximum of 6 months at ground level at the front of the Treehouse Hotel, covering the existing drive through and parking spaces to facilitate guest seating and outdoor drink service; with astro-turf flooring, seated sofa decking area, additional planters and planting, replacement planting and festoon lighting around the decking and large plants.**

I refer to your application for planning permission received on 30 July 2020. This letter acts as confirmation of receipt of the correct fee of £462.00. Your application was made valid on 12 August 2020 and the statutory period in which the Council has to deal with the application starts from this date.

You can monitor the progress of your application, online, at [www.westminster.gov.uk/planning](http://www.westminster.gov.uk/planning) using the above reference number.

Please note that the description of development may have been changed to better reflect the proposed works, if you do not agree that this accurately reflects your proposals, please provide an amended description of development within 5 working days.

Westminster City Council is committed to dealing with as many applications as possible within the statutory determination period. However, where cases are complex this time frame may not be possible and the case officer will inform you if your application is within this category. Please note that you may be given a limited time to make revisions to your application. We consult adjoining occupiers and amenity groups for most applications and give them 21 days to comment. If your scheme needs major revisions and requires a fresh round of consultations, then you may be required to submit a new application. All but the most contentious and complex applications are handled well within the Government's 26 week target. Should we decide there are exceptional circumstances and your application needs more time to be determined, I am seeking your early agreement under the above Regulations

that we may do so via this letter and will proceed on this basis unless you inform me otherwise in writing within the next eight weeks.

If you have not received a decision by 7 October 2020 you may appeal to the Planning Inspectorate at [www.planningportal.gov.uk/pcs](http://www.planningportal.gov.uk/pcs). If you do appeal, the Planning Inspectorate takes over responsibility for determining your application.

If you have submitted the application on behalf of the owner/applicant please copy this notification to them for their information.

Yours faithfully

*Josephine Palmer*
