Dear Hannah

Further to your correspondence, I have realised that there is information stated which does not apply ; the tree 11 information should read as follows, so please amend.

11. Fagus sylvatica (beech).
Raise crown to 5m from ground level to increase light.
Please confirm that this has been amended and registered.

Kind regards

Tim - A1 Trees

Further to the submission of your planning application, we have checked the details as submitted and attach the following document for your consideration and response.

If you require clarification on any of the items, please do not hesitate to contact me.

Regards

Hannah Blake
