

NOTE

Do not scale from this drawing - all dimensions should be checked on site by the contractor prior to construction and discrepancies notified to the architect immediately.

This drawing should be read in conjunction with the architect's drawings, specification and schedules, and those provided by the other consultants.

Extent of scaffolding shown on this drawing is indicative only and precise locations should be ascertained by visiting the site.

No works to be carried out until the appropriate bat licenses and statutory consents are in place.

Floor and original elements of the building to be carefully protected during the works.
