Hello

We wish to object to the planning permission for 34 Barnes View Sunderland SR4 7QA.

We live at 111 Mount Road SR4 7QD and the 3 velux windows on the northside of the building will remove all privacy to our property. There will be a birds eye view into all our south facing rooms and the garden will be fully exposed.

Properties on either side have windows in the east and west facing roof, we would not object to that as a solution.

Regards

T W and C Robson
