Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I live at the top floor corner flat in Ducrow court. My window will look out directly onto this building. I am deeply upset that I will have no choice about this. I presently have a lovely view that I value very much. For this to be replaced with a huge building is very upsetting. It will block out the sun and create an overcrowded area that is presently spacious. I very strongly object to this the neighbourhood is crowded enough already and will become more so with the large number of flats on Wilder St.
