Customer Details

Name: Mr Adam Kelly

Address: 46 ducrow court Backfields lane Bristol

Comment Details

Commenter Type: Other

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I fully support this project, affordable housing in Bristol is almost non-existent. Small scale developments like this could be the solution to this problem. By using a currently unused space (the roof) this will not be detrimental to the area unlike the other blocks of flats currently being built on the area that are unaffordable to most whom currently live in the area.
