Comment Reasons:

Comment: Although I can see the need to adapt this business given Covid, the extension of opening hours to 11pm at night is worrying, given the close location of residential properties. Much will depend on the type of food served, but there is potential for smells, noise, litter and increased traffic in the area, all of which would be to the detriment of the Conservation Area and local residents. This is quite different to the opposite end of the High Street where there are already several takeaways, with ample parking and fewer residential properties.
