Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: As a resident of Avonmouth and previously Shirehampton I object to this application as the village high street needs preserving as a provider of local varied amenities and businesses.

There are numerous takeaways open until late evening and I have concerns regarding extra litter pollution, encouraging groups of young people to hang around and possibly worry other residents and users of the area.

Also the possibility of parts of the property being used as HMO's, as there is already plenty of this type of property in and around the surrounding area.

Parking is also an issue in this area of the village
