Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The amount of litter caused by the current takeaways is at an unbelievable level already. Take a walk on a Saturday or Sunday morning within our high street and you'll feel disgraced with all the litter problem. This place is best if it stayed as a cafe shop. I do not think that enough can be done to prevent the litter and noise pollution especially after 8. I therefore would fully object this application and urge people to reject it too. We need to focus on more family friendly businesses. There are numerous cafes in the area doing exceptionally well, since they are serving their customers and not just opening at their own will. I suggest that this manager keeps a consistent opening time if he wants to do business not just switch to a takeaway which is already causing noise, litter and social behaviour problems within the area!
