Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I wish to Object to this Application & have several concerns

My biggest worry is about the Sui Generis classification due to the possibility of an HMO being established in the future

We already have too many Take Aways in Shirehampton which have no healthy food options.

There is an increasing Litter problem with overloaded bins attracting rats & urban foxes.

Anti Social behavior is prevalent in Shirehampton and the late hours will encourage Youth congregating in the Residential area

Parking is an issue as people will park in the nearby Bus Stop & the Disabled Parking Bays which are directly in front of the property

I also note that during this time of the Covid Virus the Café Owners have not made any effort to maintain their business
