Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: We have two objections to this planning application :

1) The proposed single storey extension would extend 3.5 metres from the existing rear wall. This would reduce light to our rear ground floor windows between about 11 AM and 3 PM and this would be more noticeable during the winter months when the sun is lower in the sky.

2) In addition, although we are not in a Conservation Area we are unhappy about the proposed removal of the existing rear bay window. All other properties on this side of Canowie Rd retain their original bay windows.
