## 5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

The proposed work involves replacing the existing traditional timber windows and timber box sliding windows to the original building, that was constructed in the 1800's. It is proposed to replace the windows with timber traditional and box sliding double glazed windows. A large number of the existing windows have been replaced in previous years and the proposed designs will replicate existing.

Has the work or change of use already started?

Yes  No

## 6. Existing Use

Please describe the current use of the site

Thornton Hill is a unique, converted manor house built in the 1800s, which has been thoroughly modernised and adapted to provide social care. Set in a quiet location and in its own grounds, Thornton Hill provides single En-suite rooms and has three larger rooms for couples. The scheme is managed on the residents' behalf by Anchor Trust, who provide independent living for over 55's. The property consists of 44 flat type dwellings and provides 24 hour on site care.

Is the site currently vacant?  Yes  No
