Dear Sir/Madam,

Town and Country Planning Act 1990 (As Amended)
39 Fairfax Avenue, Ewell, Surrey
Erection of single storey front and side garage extension and new front porch (following demolition of existing garage)

Thank you for your planning application which was received on 14 January 2021. We have checked the application and have found that it is invalid. This means that we cannot currently accept it for registration. The following details must therefore be submitted for the application to be registered:

1 You must complete the Community Infrastructure Levy (CIL) Additional Information Requirement Form, available on the Planning Portal website, so that we can determine whether or not your development is liable to a charge under the Community Infrastructure Levy. Even if you are not likely to be liable under the Levy, the additional information form is nevertheless required before your application is valid. The form is available at the following web address: <http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

I would be grateful to receive these details by 16 February 2021. If I do not receive them by this date I will return the application to you.

Yours faithfully,

Euan Cheyne

Planning Officer
