

## CONDITION N° 10

Details of the implementation, adoption, maintenance and management of a sustainable drainage system have been submitted to and approved in writing by the local planning authority. The system shall be implemented and thereafter managed and maintained in accordance with the approved details. Those details shall include a timetable for its implementation, and a management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the effective operation of the sustainable drainage system throughout its lifetime.
