Dear Richard,

Bottisham Primary School – Retention of 7 Bay Mobile

I would be grateful if you could apply for a renewal of planning permission for mobile no. 676.

The school has a nursery class and eight permanent classrooms and a double mobile. One other small classroom is used by the Saplings Pre-School Playgroup and the Time to Play After-School Club. There were 274 primary-aged children on roll in October 2020 and the roll is forecast to increase to around 287 by 2023/24. The school is currently organised into ten classes and this is forecast to continue until 2023/24, hence the classrooms in the mobile are currently in use and will be for the foreseeable future.

A three year retention until August 2024 will assist while discussions take place on the feasibility of a permanent expansion of the school building.

Yours sincerely
