Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to this application on the grounds this is locals pub if you take away the car park to build accommodation on this will impact on the pub and the pub needs the car parking for its patrons it is the hub of the community older people go into the pub for company if you allow this to be built on it will kill the pub, we used to 8 pubs the following were turned into homes or shops they are Nuffield arms is now a shop the list that follows are all accommodation they are queens westbury, queens/blue mile littlemore, marlborough arms, the fox littlemore and now you want to build on the back of another pub which we then impact on our pub, this pub needs to be saved as a lot of the patrons and there families have been going in this pub for decades and years please don't take this away from us the landlord and lady do a brilliant job the car park is used to put fun days on for the children to raise money for charity which won't be able to happen if you take this away from the they also put live bands on some Saturdays and that all goes to charity too also there will be nose with bands and with patrons leaving the pub so not ideal to houses so close please think of the community that need the pub not houses
