

SCALE 1:100

SCALE 1:200

100183

- The contractor is responsible for checking dimensions, locations and references. Any discrepancy to be verified with the Architect before proceeding with the works. It is to be worked to.
- Where no limit is covered by drawings to different scales the larger scale drawing is to be worked to.
- Do not scale drawings. Figure dimensions to be worked to in all cases.
- The drawing to be read in conjunction with the following:

SERVICES REGULATIONS:
Any work carried out to or which affects new or existing services must be in accordance with the Open Plan or relevant regulations, statutory authority and to the Protection Act 1997.

DIMENSIONS:
The accuracy of dimensions scaled from the drawings is not guaranteed. Dimensions shall be taken from the drawings and not from the site. Dimensions shall be taken from the drawings and not from the site. Dimensions shall be taken from the drawings and not from the site.

ACQUAINTANCE / SETTING OUT GENERALLY:
Check the levels and dimensions of the site against those shown on the drawings. Verify the location of the site against those shown on the drawings. Verify the location of the site against those shown on the drawings. Verify the location of the site against those shown on the drawings.
