5. Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

The property is currently used as an HMO. It was an HMO prior to 2012 as shown in the council residency records and it has been used continuously as an HMO since 2012. There was a brief break in use whilst the previous vendor renovated/updated the property, however there has been no change of use. During our recent purchase of this property I was in regular contact with the council regarding it's use and my main point of contact was Tom Crowe who was very helpful. Please contact Mr Crowe if there are any questions regarding this application.

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation? Yes No

Please state why a Lawful Development Certificate should be granted

The property was an HMO prior to 2012 as evidenced in the council residency records and it has been used continuously as an HMO since 2012. There was a brief break in use whilst the previous vendor renovated/updated the property, however there has been no change of use. During our recent purchase of this property I was in regular contact with the council regarding it's use and my main point of contact was Tom Crowe who was very helpful. Please contact Mr Crowe if there are any questions regarding this application.

7. Information in support of a Lawful Development Certificate

When was the use or activity begun, or the building works substantially completed (date must be pre-application submission)?

01/01/2000

In the case of an existing use or activity in breach of conditions has there been any interruption? Yes No

If Yes, please provide details of the dates, duration and any discontinuance of the development which is the subject of this application. If your application is based on the claim that a use or activity has been ongoing for a period of years, state exactly when any interruption occurred

As stated previously there was a brief interruption in use whilst the property was renovated/updated by the previous owner, however there was no change in use. I am not 100% sure when the interruption was, I believe 2017, but this will be clear from the HMO licensing history. I have checked this with the department previously and this was not seen as an issue. Please contact Mr Tom Crowe for more detail.

In the case of an existing use of land, has there been any material change of use of the land since the start of the use for which a certificate is sought? Yes No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
