Comment Details

Commenter Type: Neighbours

Stance: Customer objects to the Planning Application

Comment Reasons:

- Effect on adjoining properties
- Effect on character of area
- Effect on privacy
- General dislike or support for proposal
- Height of proposal
- Light - daylight/sunlight
- Noise and disturbance

Comment: I am concerned that this is a plan for a large extension to an already substantial house and question the need for so large an extension. The fact that it is two stories high will impinge on our privacy and light and spoil the appearance of the rear of the property.
