Comment Details

Commenter Type: Neighbours

Stance: Customer objects to the Planning Application

Comment Reasons:

- Effect on character of area

Comment: Our only objection is to the planned removal of the diamond (decorative feature) on the front of the house. We feel this is an essential part of the special character of the street. We have been told by another neighbour that the diamond can be preserved by minor changes to the plans. So we would like the owner to reconsider this aspect. Thank you.
