Comment Details

Commenter Type: Neighbours

Stance: Customer objects to the Planning Application

Comment Reasons:

- Effect on character of area

Comment: I am in support of all of the alterations and refurbishment of the property but I do not think that the front facade should be changed by adding a window. The window should go on the side aspect. The diamond on the front facade should be maintained as a distinct feature of all the houses of Rosamund Road. Many thanks.
