## Comment Details

Commenter Type: Members of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

- Effect on character of area
- Effect on existing community facilities
- General dislike or support for proposal

Comment: This is a popular local venue that has been going for many years, and it seems that the [REDACTED] must want to sacrifice something that has benefitted hundreds of people for the sake of accommodating just a handful of students. Why not look to all the housing developments that seem to be springing up everywhere and see about modifying some of those plans to accommodate the student population?
