Stance: Customer objects to the Planning Application

Comment Reasons:

- Effect on character of area

Comment: Loss of vital entertainment venue serving local community in favour of student accommodation. The venue has a history of grassroots (serving the community) entertainment which benefits local community & a number of small but up & coming artists whilst providing employment in the catering & arts industry, which now more than ever is in need of support due to the pandemic, therefore contributing to local economy, entertainment, health & wellbeing rather than being yet another rental property.
