5. Description of the Proposal

Please describe details of the proposed development or works including any change of use and details of the proposed demolition.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

The proposals seek to repurpose and make more efficient use of the available space at first and second floor levels to form a student flat with nine en suite student bedrooms.

It is proposed to retain the pub at ground floor level and adapt the existing entrance to provide separate entrances for the pub and student flat. A small portion of the pub trading floor will be repurposed as a bicycle store for the student flat, accessed through the existing opening at street level that currently forms the fire exit for the first floor function space.

The existing ridgeline steps down over the southern section of the building and it is proposed to raise this element of the roof. The new ridge height here will match the existing ridge and it is proposed to reinstate the existing clay tiles.

5. Description of the Proposal

Has the work or change of use already started?

Yes No

6. Explanation for Proposed Demolition Work

Why is it necessary to demolish all or part of the building(s) and/or structure(s)?

The existing ridgeline steps down over the southern section of the building and it is proposed to raise this element of the roof. The new ridge height here will match the existing higher and it is proposed to reinstate the existing clay tiles and retain the chimney.

7. Existing Use

Please describe the current use of the site

The Wheatsheaf Pub is at ground floor level, with a cellar below ground accessed behind the bar. The first floor has been used as a function space in the past, which is linked to the pub, with a secondary bar area, toilets and office. The second floor accommodates a bedsit flat with two bedrooms, a shared bathroom, kitchen and communal living area.

Is the site currently vacant?
