Commenter Type: Members of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

- Effect on character of area
- Effect on existing community facilities
- General dislike or support for proposal

Comment: [REDACTED] turning every single piece of real estate has to stop, it is destroying the character and culture of the town. There are very few independent and small live music venues left and city centre is increasingly becoming nothing but student accomodation and souvenir shops.

This is [REDACTED] cultural vandalism.
