Stance: Customer objects to the Planning Application

Comment Reasons:

- Effect on existing community facilities
- General dislike or support for proposal

Comment: I OBJECT!! This is that LAST live music venue in the city centre it would be absolutely absurd and quite frankly just mean to close/replace it. Haven't we seen enough culture and happiness die. Profit for a big development company is NOT important compared to community, unity, public support and happiness which this venue gave. [REDACTED] there's more to the world than making the most money.
