- Notes**
- Any dwg format drawing is to be read in conjunction with and at the scale of the accompanying pdf.
  - Where colours other than black or grey are used, the drawing must be plotted in colour.
  - For status 'C' (Construction) drawings all dimensions are to be checked on site by the contractor, scaling is for Local Authority purposes only.
  - Unless otherwise indicated, all dimensions are in millimeters.
  - All information on this drawing is to be read in conjunction with the relevant Donald Insall Associates specification and trade contractors' drawings and information by specialists.
  - In the event of any discrepancy, please contact us immediately.
  - This drawing may contain survey information by others and is to be used solely for the purposes for which it was issued.
  - These are uncontrolled documents issued for information purposes only. If you have any queries regarding the drawings, please contact DIA immediately.
  - Please note DIA cannot be held responsible for any errors arising from changes made to an uncontrolled dwg file.
