

APPLICATION: PP-09518717

APPLICANT: Susie Prichard-Casey

LOCATION: 80 Great Clarendon Street, Oxford, OX2 6AU

PROPOSAL: Freestanding outbuilding in rear garden for working from home

DAYLIGHT OR SUNLIGHT ASSESSMENT:

There will be significant light ingress through a south facing window and fully-glazed bi-fold doors that open into the garden. A skylight provides more light inside. The building is sufficiently removed from neighbouring properties to be of no hindrance through the casting of shadows.
