

Shopfront Enhancement Application – ‘Repair my Phone Today’

7 New Inn Hall Street Oxford OX1 2DH

Daylight / Sunlight Assessment

We confirm that owing to the nature of this application, this is not relevant / answerable. The application is for a direct shopfront removal and replacement (retrospective) – no physical size change (aesthetic only). There is no physical change to shopfront size / line / position within site.

On the basis above we believe the Daylight / Sunlight Assessment is not applicable
