Hello

The application was to confirm the use of the land as a private residential curtilage, with the evidence submitted showing it has been in that use since the property was built. Hence the application does only relate to a householder matter.

As the submitted evidence shows the residential curtilage has not changed, then submitted drawing TWS1 with the land outlined in red answers your point 2.

I trust all is clear.

Regards

Christian Leigh

Good morning,

Please see the attached letter regarding the above application.

Kind regards

Martina
