NOTES: Document Status for Planning Application

Architectural Information.
The level of detail represented within this document is relative to the submission of a PLANNING APPLICATION only. The drawings therefore are not to be used for any other purpose without the prior agreement of the Designer.

Dimensions.
All dimensions are indicative and for information purposes only.

Planning Matters
The client/ the contractor is responsible for the delivery of the project in accordance with the approved Planning documents. Unless otherwise instructed, any subsequent discharge of planning conditions associated with the application are the responsibility of the client/ contractor.

Party Walls Matters & Rights to Light
The client/ the contractor will ensure that any notices and consents required to undertake the project are obtained prior to commencement of works.

Structure & Construction.
This document describes indicative construction build-up only for the purpose of the Planning application. Unless otherwise noted this document is not coordinated with a Structural Engineer's input.

Building Control Matters.
The client/ the contractor is to undertake and liaise directly with the Local Authority/ Approved Inspector to ensure the project is completed in accordance with the Building Regulations.

Freeholder / Leaseholder / Restricted Covenants / Easement Approvals
The client/ the contractor is to ensure that any notices and consents required are obtained prior to commencement of works.

Archaeological, Sustainability & Ecological Matters
The client/ the contractor will ensure that any notices, undertakings, and/or consents required are obtained prior to commencement of works.
