

Your The New Window Company Ltd Quotation For high performance engineered timber products

	Qu	ote Ref: 2290/1 V1	Date: Wednesday 24 February 20
Quotation Prepared for:	MR AND MRS LINDA & MARK BALDWIN 31 High Street Osbournby Sleaford Lincolnshire NG34 0DN	Scope of Project: Replacement - Carefully remove existing items, p of aperture ready for final decoration by others. A Edition) by our trained and experienced installers	repare openings and supply and fit replacements. To include all making good All installed in full compliance with Building Regulations Document L (2010
Site Address: AS A	ABOVE		
Fechnical Specification:			
units featuring soft-coat ener with multi-point claw locks to	gy saving glass. Drained and vented sections to o master doors, flush bolts to slave door. Robus	o protect against sealed unit failure. Fully factory finisl st, adjustable hinges. Entrance doors fitted with multi-	d throughout for security. Factory glazed with argon gas filled double glazed ned with high performance, micro-porous paint treatments. French doors fitted point claw locks and robust, adjustable hinges. Flush casement windows with redit under Chain of Custody Registration No TT-COC-005135
