Subject:PA21/00835/PREAPP 5 day notice G76 Rock TPO

To whom it may concern,

I have a customer down in rock who lives in a property called Rosemain.

Her name is Jane Ticehurst, her address is Rosemain, Rock road, Rock, St Minver, PL27 6PP,
She has a group of Macrocarpa trees which come under G76 in the Rock Tree Preservation Order.
They have several branches which have been damaged by the recent gales which have either snapped or have cracks in them!

At least two of them are overhanging the road and the BT lines and the others overhang the house

I would like to put in a 5 day notice so i could remove the dangerous branches before any further problems may arise!

Please find attached below some photos of the damaged branches, please note because the branches are so high up it is difficult to capture the full extent of the damage.

Kind regards
John Glynne-Jones
