

Heritage Statement

All the materials that will be used in the construction of the bund will be in keeping and similar to the current brick walls and paved walkway that are currently there. The raised flower beds and grass banks will blend into the existing landscape and will be able to be maintained easily and simply.

See condition of existing path and the bricks used below.

Proposed Brick for the wall – Antique Heritage Brick by Weinerberger

Railings to Match Existing

Tiles to be a similar Buff coloured , non slip tile for pedestrian areas.
