

Your Timber Windows of Hartley Wintney Quotation

For high performance engineered timber products

Quote Ref: 1826/1 V3 Date: Thursday 28 January 2021

Quotation Prepared for: Mr R Frankland

Lower Staceys

Bentley Farnham Surrey GU10 5NF Scope of Project:

Replacement - Carefully remove existing items, prepare openings and supply and fit replacements. To include all making good of aperture ready for final decoration by others. All installed in full compliance with Building Regulations Document L (2010 Edition) by our trained and experienced installers.

Site Address: As quotation

Technical Specification:

All products in multi-layer Engineered European Redwood sections for added stability. Internally beaded throughout for security. Factory glazed with argon gas filled double glazed units featuring soft-coat energy saving glass. Drained and vented sections to protect against sealed unit failure. Fully factory finished with high performance, micro-porous paint treatments. Where FSC is shown against an item, joinery is supplied as FSC Mix Credit under Chain of Custody Registration No TT-COC-005135
