Details of the pre-application advice received

In terms of pre-planning, the council recently determined an application for a Lawful Development Certificate (20/0920/CES) in respect of extensions deemed to comprise Permitted Development. While that position was not agreed (for reasons of dimensions; and the fact that single-storey dwellings cannot have two-storey extensions of the same height as an existing roof) the officer comments have been both noted and considered helpful in the creation of this application.

11. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
