Dear Erika

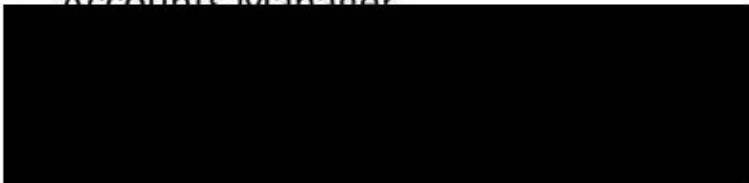

In response your points raised and using the same numbering as on 25th march please note our responses as follows

1. Apologies for confusing dates, this was since the old application was copies, though can confirm the pre application advice was received in February not march, a new application form has been submitted via the planning portal which I believe has been sent to you, please can you confirm satisfactory receipt?
2. We are happy with amended description.
3. Please see attached.

Please can you also confirm if this can be allocated to the same officer who dealt with the previous application "Chris Spong" since he is aware of this already.

Best Regards
