Method Statement for Planning application ref 21/01407/LBC
Extension to Waternish Farm Steading.

To whom it may concern;

The original structure of the listed building is to be preserved. Alterations will be restricted to a modest scale. Where repair, alterations or extension works are necessary, they shall relate sensitively to the original building. In almost all cases the materials used for alterations, extensions or repairs should match the original. The use of non-traditional materials are to be limited to the internal fit out of the existing building and the proposed extension which shall be finished and painted to match the existing external finishes.
With respect to the existing external elevations the following method shall be followed;

1. Retain historic fabric and features of architectural or historic interest in situ.
2. Repair all damaged historic fabric or features, rather than replace them.
3. Reinstate missing architectural features where there is clear evidence of their original appearance

If you require any further information please do not hesitate to email.
