Categories: tree

Dear Sir/Madam,

Thank you for your email about the above planning application and the query concerning that part of the application regarding the thinning out of the crown of the oak tree. I can confirm that after the removal of the dead branches the thinning will be purely cosmetic to 'shape' the crown and as a result it is anticipated that no more than 10% of the crown in total will be affected.

Kind regards,
Gordon Gatward

Subject: INVALID - W/21/0600/TCA - St. Marys Church, Church Lane, Stoneleigh, Coventry, CV8 3DN

Dear Sir/Madam

Please read the attached INVALID letter (which is in .pdf format), which relates to the application at the above site, and respond by email.

Like all organisations, Warwick District Council as The Local Planning Authority has had to alter its working practices under the present conditions. Our staff are now all working from home and we very much endeavour to deliver our normal service and continue to process planning applications.

However, we are currently dealing with an unprecedented level of applications which has been made more difficult through the requirement for staff to work remotely. Unfortunately, this means that there is a delay in allocating and validating applications which will inevitably mean a delay in the time taken to issue decisions.

We apologise for the delay and any associated inconvenience that this may cause.

To ensure delays are kept to a minimum, it is advised that all applications are sent to us electronically via The Planning Portal (<https://www.planningportal.co.uk/>) or by email to planningenquiries@warwickdc.gov.uk. Consultation responses and correspondence should be sent using the Council's website or by emailing the case officer.

Regards,

Development Services

Warwick District Council
