Dear Sir/Madam,

Further to my email below, following further discussion with the County Archaeology Team, we attach an updated WSI. Please can this replace the WSI previously submitted for the discharge of conditions, as it contains additional information that the County Archaeology Team wish to have included.

Many thanks,

Kind regards,

Dear Sir/Madam,

Please find attached a copy of the WSI for approval to allow Condition 3 (Archaeology) of 3/20/2365/FUL to be partially discharged so work can continue towards full discharge of the same condition.

I will ask for the Applicant to call today to make payment of the £116 fee.

The Applicant has contractors ready to undertake the work on site imminently, therefore, we would appreciate anything you can do to allow the condition to be partially discharged at the earliest possible opportunity.

Kind regards
