🔾 Yes 🛛 💿 No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Cedar House was constructed in c 2018. However, despite permission being obtained by the developer, the existing drop curb to the neighbouring property was not extended. Permission to extend the existing crossing is now sought by replacing the existing taper with a dropped kerb and add a further 2 dropped kerbs and 1 taper kerb. Previous permission was agreed in 2018 by KCC under CSM Number 11808716. This permission lapsed in June 2019 and as the new owner, Mrs Miller is looking to undertake the works

Does the proposal consist of, or include, a change of use of the land or building(s)?

Has the proposal been started?

5. Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The original application (CSM No. 11808716) has already been agreed, albeit lapsed. There have been no material changes to the location, property or proposed extended drop kerb.
